

## The 2024 race dates are now confirmed

*Less than two months ago, Slovenian Matej Mohorič (Team Bahrain Victorious) won the 80th edition of the Tour de Pologne UCI WorldTour. Today we can officially confirm the dates of the next edition of the Polish race in 2024. In addition to the Tour de Pologne UCI WorldTour, Czeslaw Lang and his team will also organise the Tour de Pologne Women and the ORLEN Nations Grand Prix.*

As usual, the end of September is the time when the UCI publishes the official calendar for the coming season. Of course, the only Polish UCI WorldTour race, the Tour de Pologne, which celebrates its 95th birthday in 2023, could not be missing. *“We have a concept for the Tour de Pologne, we also have a concept for the ORLEN Nations Grand Prix, which will take place not only in Poland, but also in the surrounding countries. Next year we are planning to reorganise the Tour de Pologne Women. There will be three stages, which we are currently planning. We won't forget about young riders and amateurs, who will be able to take part in the Tour de Pologne Junior and the ORLEN Lang Team Race.”* announced Czeslaw Lang, General Director of the Lang Team.

The **2024 Tour de Pologne** will take place immediately after the Paris 2024 Olympic Games, with the race starting on Monday 12<sup>th</sup> August and lasting until Sunday 18<sup>th</sup> August.

The Tour de Pologne UCI WorldTour is not the only race organised by Lang Team in the UCI's calendar. After an eight-year break, the **Tour de Pologne Women** will return to Polish roads. Riders will begin their struggles on 28 June, and the winner after 3 stages will be announced on 30 June. The race will be part of the UCI Women Calendar in category 2.2.

But that's not the end yet.

After last year's very successful edition, the **ORLEN Nations Grand Prix** (belonging to the UCI U23 Nations Cup) will again be held in a 5-stage formula. Riders from the national teams in the U23 category will cross the start line on 15 May and the best U23 rider will be known on 19 May. The 2023 race was won by Slovenian Gal Glivar after 5 stages in Hungary, Slovakia and Poland. In 2024, Lang Team is looking to reproduce this concept and planning to integrate the Czech Republic and Slovakia the parcours of the ORLEN Nations Grand Prix.
