

GEOGRAVEL TUSCANY LE STRADE GRIGIE

1/2 June 2024

REGISTRATION FOR GEOGRAVEL TUSCANY 2024 IS NOW OPEN!

After the success of the 2023 edition, which saw over 150 gravellers from all over Italy come to Pomarance to discover the magic of the Strade Grigie, registration is now open for the 2024 edition.

The novelty is that GeoGravel Tuscany 2024 will be held from 1st to 2nd June, to take full advantage of the long days of late spring.

The format that made the 2023 edition unforgettable will remain the same: two days of celebration under the banner of slow cycling, excellent food and wine, and good music in the fantastic setting of Pomarance, from where the four routes will start, taking participants through the extraordinary scenery of the Tuscan geothermal area.

Registration is already open with a special promotion: until 6th January it is possible to secure the race pack - our fantastic GeoBag - for only 20 euros for new registrants and even 10 euros for those who participated in the 2023 edition.

Registration will be open from 09:00 on 11/12/2023 (Rome time, CET) with the following prices and deadlines:

- *CHRISTMAS EARLY BIRD membership at €20 for new entrants and €10 for 2023 entrants from 11/12/2023 to 06/01/2024;*
