

GEOGRAVEL TUSCANY LE STRADE GRIGIE

31.05 - 01.06.2025

We are all set to return to the Strade Grigie! Registration is now open for GeoGravel Tuscany 2025.

After the success of the 2024 edition, which for the first time featured a date change, GeoGravel Tuscany is ready to deliver new experiences. For those eager to ride the Grey Roads of the geothermal hills again, here's some good news: registration for 2025 is now open.

The event is scheduled for the weekend of 31st May - 1st June in Pomarance, which, as in previous years, will come alive from morning until late at night with events, live music, and street food. As is now tradition, the Piazzone will be the focal point of two days dedicated to the true gravel spirit—a group celebration of cycling and fun. From here, four routes will begin, taking all registered participants into the heart of a still largely unexplored and wild territory.

Registration opens at 09:00 on 01/10/2024 (Rome time, CET), with the following prices and closing dates:
