

Buzzatti Dry Bulk Logistics becomes official sponsor of Soudal Quick-Step Pro Cycling Team
Passion for cycling brings Buzzatti Dry Bulk Logistics to the WorldTour with a partnership based on sustainability and performance.

Sedico, 6 febbraio 2025 - **Buzzatti Dry Bulk Logistics**, Italian company and European leader in transport and logistics services, is proud to announce its new partnership with the **Soudal Quick-Step Pro Cycling Team**. This historic Belgian team, which holds a UCI WorldTour licence, has been the springboard for numerous cycling champions on the world stage.

The collaboration is based on shared values that unite the worlds of logistics and cycling: international reach, environmental sustainability and the pursuit of excellence.

Buzzatti Dry Bulk Logistics navigates Europe on a daily basis, bridging businesses and markets, just as Soudal Quick-Step riders compete across continents, bringing people together through their shared passion for cycling.

Both partners are deeply committed to reducing CO2 emissions. Buzzatti stands out for its use of intermodal transport, optimising routes to reduce environmental impact. Similarly, Soudal Quick-Step promotes sustainability through cycling and green projects that engage its global fan base.

*"We are delighted to support the Soudal Quick-Step Pro Cycling Team, a goal I have had for some time, driven by my deep respect for what this team achieved in the last 2 decades," said **Mario Buzzatti**, CEO of Buzzatti Dry Bulk Logistics. "The team embodies determination, discipline and teamwork - values that we uphold in our daily operations. This partnership fits perfectly with our global vision and commitment to a sustainable future. Like us, the team is always on the move, so it is important to recognise the steps we need to take to protect our beautiful planet."*

A lifelong cycling enthusiast, Mario Buzzatti sees this sponsorship as a way to boost growth and innovation within the sport. Beyond international recognition, the partnership also aims to inspire new generations and support projects that combine sportsmanship, innovation and environmental responsibility.

*'I thank Mario Buzzatti for his trust in our team,' explains Soudal Quick-Step CEO **Jurgen Foré**. 'With Buzzatti Dry Bulk Logistics we share many values. As in our organization, even at Buzzatti Dry Bulk Logistics the teamwork is a key element in the day by day operations. Furthermore, their experience in intermodal logistics can also be important in finding new, more efficient transportation modes for the team during some of the European races.'*

The Buzzatti logo will appear on the team's trucks and motorhomes.

About Buzzatti Dry Bulk Logistics

Buzzatti has over 50 years of experience in international logistics, specialising in freight forwarding, integrated logistics and outsourcing. Its commitment to sustainability is reflected in its core business of intermodal transport. With a team of highly skilled professionals, state-of-the-art technology and a commitment to excellence, Buzzatti is the ideal partner for global cargo care.
