Favorites of the 82nd Tour de Pologne

A tight battle for yellow awaits at the Tour de Pologne

Renowned for its unpredictability, the Tour de Pologne often sees the winner of the yellow jersey decided by mere seconds, and this year promises to be no different. The 82nd edition of the UCI WorldTour race kicks off on Monday and runs through Sunday. During the seven stages, the riders battling for stage wins and the ORLEN General Classification jersey must stay alert from start to finish. While the mountain stages and individual time trial may appear to be the decisive factors, history has shown that time gaps can emerge anywhere. The preliminary start list includes **Antonio Tiberi**, **Ethan Hayter**, **Brandon McNulty**, **Daniel Felipe Martínez**, and Polish stars **Rafał Majka** and **Michał Kwiatkowski**.

As a UCI WorldTour event, the 82nd Tour de Pologne has attracted all the top teams with their best riders. UAE Team Emirates-XRG arrives in Poland with a powerful lineup that includes Polish champion and former Tour de Pologne winner **Rafał Majka**, as well as the versatile **Jan Christen** and **Brandon McNulty**.

The varied route of the 82nd Tour de Pologne, featuring challenging stages and a time trial, suits well-rounded riders.

Strong performances are expected from **Pello Bilbao** and **Antonio Tiberi** of Bahrain Victorious. Tiberi secured a podium finish at this year's Tirreno-Adriatico, proving his time trial skills. INEOS Grenadiers will also bring a strong squad, including rising star **Magnus Sheffield** and returning world champion and former Tour de Pologne winner **Michał Kwiatkowski**.

The start list is further enriched by **Daniel Felipe Martínez** (Red Bull–BORA–hansgrohe), who finished second in last year's Giro, and **Ethan Hayter** (Soudal–Quick Step), winner of the ORLEN General Classification three years ago.

The colorful peloton of the 82nd Tour de Pologne will feature many exciting riders, including **Matthew Brennan** (Team Visma | Lease a Bike), one of the season's revelations, as well as time trial specialists **Stefan Küng** and **Rémi Cavagna** (Groupama-FDJ), French champion **Dorian Godon** (Decathlon AG2R La Mondiale), **Max Poole** (Team Picnic PostNL), **Alberto Bettiol**, and **Diego Ulissi** (XDS Astana Team).

The Tour de Pologne UCI WorldTour will take place from August 4 to 10, following a route from Wrocław to the Wieliczka Salt Mine. The race will be broadcast on TVP, Eurosport, and the streaming platform HBO Max, reaching fans in 65 countries worldwide!
