

4. Tour de Pologne[®] Women 24-26.07.2026

3 days of emotions in the 4th Tour de Pologne Women

In July, the Lubelskie Voivodeship will once again become the capital of cycling thanks to the 4th Tour de Pologne Women. The women's race will again take place in Eastern Poland, and the competitors will face three picturesque stages. The race will begin in Tomaszów Lubelski and end in Lublin, taking place from July 24-26.

A little over 2 months remain until the start of the 4th Tour de Pologne Women. The women's race across Poland will again take place on the roads of the Lubelskie Voivodeship, showcasing its charming corners and guaranteeing great sports excitement. The women's competition this year will gain a new dimension – all thanks to the event's promotion to the UCI ProSeries category, which has further raised the prestige of the event.

At the start line, we will once again see top teams from around the world, including as many as 7 teams from the UCI Women's WorldTeams.

The 4th Tour de Pologne Women will begin with a nearly 142-kilometer stage, taking place on a rolling route featuring a few short climbs. The race will start in Tomaszów Lubelski, and we will find out the first LOTTO Stage Winner and the leader of the ORLEN General Classification in historic Zamość, where the stage finish is planned. Two LOTTO Intermediate Primes are located on the route – in Krasnobród and Szczepieszyn.

The next day is a 118-kilometer struggle on a flat section from Włodawa to Lubartów, where fast riders specializing in bunch sprints will have the greatest chances of winning. Before the cyclists finish the competition, they will fight at the LOTTO Sprint Prime in Ludwin.

The race will end with a dynamic stage, 101 kilometers long, from Janowiec to Lublin, the capital of the Lublin Voivodeship. There will be several climbs on the route, and the finish in Lublin itself will be slightly uphill. Earlier, the peloton will pass through, among other places, Puławy, where the only LOTTO Sprint Prime is located.

This year's edition of the Tour de Pologne Women once again promises to be exciting, giving a chance to fast riders specializing in classic races.

The competition will be broadcast and replayed on TVP Sport, Eurosport channels and on HBO Max.
