

# 4. Tour de Pologne<sup>®</sup> Women 24-26.07.2026

## Strong list of teams for the 4th Tour de Pologne Women

*Held for the 4th time, the Tour de Pologne Women will once again attract the world's top teams to the start. The competition, which this year will take place as a **UCI ProSeries** event, will feature 7 top-division teams, as well as the Polish National Team and MAT ATOM Deweloper Wrocław, the only Polish continental team. In total, 19 teams will stand at the start line.*

Reactivated in 2024, the **Tour de Pologne Women** quickly established a reputation as one of the most important women's races in this part of Europe. The world-class organization of the competition has been recognized by the Union Cycliste Internationale and resulted in the event's promotion to the UCI ProSeries ranks.

This year's edition of the race will once again provide fans with great emotions due to the very strong line-up. The team list once again includes as many as **7 UCI Women's WorldTour teams**, which only confirms the rank of the race. On the roads of the Lublin Voivodeship, competitors from **UAE Team ADQ, Human Powered Health, Canyon//SRAM, Lidl-Trek, Team SD Worx – Prottime, Liv Jayco AIUla and Team Picnic PostNL** will compete, among others. All these teams are part of the highest division in the women's peloton, and their riders regularly confirm that they belong to the strict world elite. As many as **5 teams from the top ten of the UCI ranking** – including the leaders from UAE Team ADQ, whose colors are defended by **Dominika Włodarczyk** – will appear in Poland in July! However, the team list for the 4th Tour de Pologne Women is not only UCI Women's WorldTeams, but also Polish accents. The national team and the only native squad racing with a UCI Continental license – **MAT ATOM Deweloper Wrocław** – will take part in the competition. Americans will also perform in national team jerseys in the Tour de Pologne Women. The peloton will also be formed by riders from the **VolkerWessels Cycling Team and Lotto Intermarche Ladies** – both these squads are racing with a UCI Women's ProTeam license. The line-up will be completed by **8 continental teams**.

The diverse list of teams for the 4th Tour de Pologne Women heralds a battle between world-class stars and young riders waiting for great successes. The competition in the Polish event will take place on **July 24-26** and will be broadcast on TVP channels and on HBO Max. The Main Sponsor of the Tour de Pologne Women is ORLEN.
